ADVENTURES

FANCY SOMETHING NEW?

Off The Grid Adventures CIC are looking for a range of volunteer mentors to work with identified young people to help them fulfil their potential.

Across the region many young people don't have positive role models in their lives, our mentoring project aims to match young people in need with mentors to help them grow aspirations and go onto succeed in adult life.

We are often asked "What sort of person makes a good mentor?" The answer is any adult of any age with a positive mindset and good values!

WE OFFER

FREE training in general mentoring and people skills and more specialist activity instruction if you're after learning more specialist skills!

Reasonable session expenses and mileage is also covered with the role.

Off The Grid Adventures CIC offers a targeted one-to-one mentoring programme.

Our mentors build relationships with young people allowing us to support their emotional health & well-being as well as building confidence, self esteem and resilience. This allows behaviours and attitudes to be challenged in a positive way helping them to progress socially and educationally.

Mentoring sessions are normally weekly, but can be more or less frequent depending on need. Sessions happen locally engaging young people in a wide variety of activities, initially centred around the interests of the young person.

ACTIVITIES CAN INCLUDE:

FISHING

BUSHCRAFT & CAMP FIRE COOKING

SPORT & OUTDOOR ACTIVITIES

CULTURAL VISITS
(around the region)

When needed sessions can be tailored to support young people develop their CV, apply for College, attend Open Days and other appointments.
